Student Commitment and Signature:

- I am committed to the academic challenge that the PAI provides
- I am willing to work on assignments and homework each night
- I am willing to read over the summer
- I have the maturity to be responsible for my learning
- I am committed to completing quality work on time
- I am committed to be punctual and will rarely miss class

In the space provided, explain why you want to be part of the PAI (attach additional page, if needed):

I understand that the PAI will offer a rigorous curriculum at an accelerated pace. The program will require an increased time commitment to homework and studying. Exemplary attendance is critical. I agree to the accelerated pace and rigorous curriculum and agree to spend the time and effort necessary to be successful in the PAI.

Student signature: _____

I understand my child will have a rigorous curriculum that will require an increased time commitment. I agree to assist my child by offering support at home, communicating regularly, and insisting upon exemplary attendance.

Parent/guardian signature(s): _____
