The Pierce Academic Institute (PAI) is an accelerated program for high achieving students who love to learn. It is our philosophy that MOST students are capable of developing the kind of work habits that can give them this opportunity if they have the desire, attitude and aptitude necessary. Our goal in the admission process is to identify students that will most benefit from the high expectations we offer. All information you provide will be kept in the strictest confidence. Admission to the school is based on many factors including past school records, test scores and references. Your input will help to give us a strong understanding of whether this child would thrive within an accelerated curriculum.
